

## Moorview Veterinary Practice – Veterinary release form

Moorview Vets are working closely with the location community of companies that provide services for your pets.

This document is a veterinary release form that allows your pet to be brought to us for treatment if an emergency occurs.

We provide this as part of the pet care services that are available to you and your pet.

For peace of mind fill in this form and hand it over to the pet groomer or boarding kennels that you have entrusted your pet to.

Your pet will receive that best standard of care possible from dedicated professionals.
